

Acrylic Painting Workshops *with Robin Wessman*

Painting Workshops

Workshop Dates:

Session One - September 17 & 24, October 1 & 14 (no class October 8)

Session Two - October 29, November 5, 12 & 19

Cost per 4 week Session: \$60 Members, \$75 Non-Members

Workshop Instruction: This workshop will teach the acrylic painting techniques that will help participants become more familiar with the tools needed to create beautiful paintings. Instruction will start with the basics and cover composition, value, color, and light. Each workshop will start with a painting demonstration to explain the various steps in the painting process. Participants will work on their own paintings using the information from the demonstration. One on one instruction will be given to each participant through the remainder of the day. The session ends with a review of the work and a discussion of what was learned.

Robin Wessman is a New England landscape painter from Norfolk, MA who has been painting for over 40 years. He earned a Masters in Fine Art from Ohio University and has won many awards in the New England area for his paintings. He has a classical approach to his subjects and uses direct observation of nature to understand how light affects color, texture, and form. His approach to painting is to paint from nature and record as much information as possible in a short period of time to capture the spirit of the selected subject.

Experience Level: The painting workshop is well suited for beginners and intermediates.

Materials: Participants will need to bring the following materials for painting outside:
