Introduction to Abstract Painting Workshop

with Richard Harrington

Friday and Saturday: January 20 & 21, 2012

9:30am – 3:30 pm

\$100 RIWS Members \$125 Non-Members

Location: RI Watercolor Society

RICHARD HARRINGTON, a Signature member of the RI Watercolor Society and other juried state and regional organizations, is an award winning painter, as well as, a teacher. He has been exploring non-representational painting for several years and has studied abstract painting with Carole Barnes, Louise Cadillac, Gerald Brommer, Lenny Long and Katherine Chang-Liu.

Workshop Description: Abstract paintings will be done on watercolor paper using acrylic paints. Students may wish to use other media as well in order to create a mixed media piece. Working in a free and easy manner, painters will use a limited palette to explore: Mark-making, shapes, colors, subject matter and personal/historical references. Students will be encouraged to use their own art experiences, habits and interests to explore the way in which they paint, as well as, what they paint.

“ABSTRACT ART: Art which is either completely non-representational or which converts forms observed in reality into patterns which are read by the spectator primarily as independent relationships, rather than with reference to the original source.”
